

# World Model Expo 2022

## WORKSHOP OUTLINE

### Gerard Boom

### Shiftinglands

#### Building with foam, building a façade in layers

Saturday July 2 10:30-12:00

Sunday July 3 10:30-12:00

Skill Level: Beginner-Advanced

Price: € 36,50 (per workshop) , various MDF building parts & templates included

We will build up a façade of a house in 2-3 layers, working with various textures like Stone (Brick, Organic) Wood and plaster. The build can be adjusted depending on your skills.

We will place doors, window, wall cramps in to the build (M.D.F.- parts) and we will add glass as well.

#### Example build:

#### Payment

- Participants are requested to purchase a workshop ticket to take part in the workshops. For each workshop there is a different ticket. Payment is required upon ordering the ticket. We do not issue invoices.
- **Show admission tickets are not included in the price of the workshop.** Please purchase your admission tickets separately, either online or at the ticket counters at the show. Workshop tickets are only valid upon presentation of an admission ticket.

#### Cancellations and refunds policy

- We guarantee that participants will be 100% refunded, minus possible banking or PayPal charges, in case of cancellation by the teacher.
- We do not refund in case you have to cancel or are unable to attend, but it is allowed to transfer your workshop tickets to another person.
- All general terms for tickets apply
